“ *Melissa (Peaches) was my childhood friend. She was older than me by 2 years. When she started August Martin High School, she always made time to stop by to talk to the younger kids on the block and give advice. As we got older, Peaches never changed. She was always willing on helping her friends and would always put peoples needs before her own, no matter what she had going on with her health. Now I've loss my friend of over 40 years and can no longer pick up the phone to talk to her. After a 40 year friendship I realize she was not my friend, she was family. I will miss my sister. My heart is hurting from her loss. Thank you Melissa (Peach), for making my life blessed by your presence. I pray to God, may he help your memory fill the void I have in my heart. I will talk to you in my head because like I said before, you were always there for people. I'm sure that will never change. 💔 Rest In Peace, Love Berto*
