“ Mercedes' legacy is those that she touched ... her family, friends and some of us that did not know her well but knew people she touched. She was an extraordinary woman driven by her faith in our Lord. The Holy Spirit guided her. She was loved and loved in a way that we should all strive and emulated. May she rest with our Lord. May her rest grant peace to those that knew her and loved her. The world is a better place because of her.

“ Mercedes De Jimenez fought an amazing fight. She was a true spiritual warrior but also a giving and kind hearted soul. I have many, many fond memories of my mother in-law. Including her taking care of me and my boys while I was in labor for Josiah’s birth. She spent the entire night sitting next to me, Massaging my back and praying over me. But before she became my mother-in-law she was my family’s childhood friend and care giver to my grandmother. Our family loved her dearly. She was gentle hearted and humble. Always working behind the scenes doing the Lord’s bidding. A true missionary at heart. My soul is at peace because she entered into glory. She entered into her heavenly oasis. No more pain and no more suffering. She is rejoicing with her tambourine and dancing in her new glorious body. She left an amazing legacy and treasures of love within her children and grandchildren. They will carry on her mission. We will see you again Mercedes DeJimenez. Love Sandie, Sammy, Caleb, Elijah, Seth Josiah and Nyasia
