

Michael Peter Norfort

March 7, 1964 - September 22, 2008

Michael Peter Norfort, was born on March 7, 1964 in Brooklyn, New York to Elizabeth and the late Freeman Norfort. He departed this life after a brief illness on Monday, September 22, 2008 at home with his loving wife and family members.

Michael attended Sarah J. Hale High School and Job Corp where he acquired his carpentry skills. He was a member of the New York District Council of Carpenters since 1983. He loved his trade and never missed a day of work until his illness. He was eager to return to work, to work with and teach his son Gary the trade. And, today Gary promises to follow his father's footsteps and fulfill his dream of becoming and remaining a carpenter.

Michael and Debora met 19 years ago. From this union, two sons Michael Jr. and Taj William were born. On September 5, 2008 Michael and Debora were joined in holy matrimony.

Michael was always an avid chess player and fisherman. Mike, as he was fondly called was a caring and loving person, and he was also known as Smitty B. by his wife and nephews. His outgoing personality enabled him to relate easily to all he met. He prayed to get better so that he and Debora could enjoy a longer journey ahead, but unfortunately God noticed that he was missing one of his precious doves and called him home.

Michael leaves to mourn his loving wife Debora, his mother Elizabeth Norfort, three sons, Michael Jr., Taj William, and Gary, two daughters Latesha and Tiffany, three grandchildren, Ijalayah, Demanashia and Nazir, one brother, Freeman, four sisters, Renee, Denise, Vera and Susie, one aunt, Virginia, two sisters-in-law, seven brothers-in-law, three godchildren, Shawn, Shaquesha, and Chitlin Hamer and a host of nieces, nephews, cousins and friends.

We will miss his kind and thoughtful giving nature.

Rest from your labor dear Mike.

Let the work you've done speak for you.
