“ I worked and traveled with Mike through Nyra for over 15 years, he was a fantastic human being, and I was absolutely blessed to be his friend, he was also one of the bravest and toughest people I ever met as he just would not give in to his health situation. RIP Mike - I'll see you on the other side. Steve Rychlenski

“ Mike was a softball teammate and friend to me and many others. He was reliable, fun and brought a quiet confidence to every game. He made us laugh on and off the field! He would look so serious at 3rd base or at the plate and then would quickly break into a joke. He stayed in touch with me off the field discussing the battle he faced. I deeply admire the strength and grace he and his family showed every step of the way. I'll miss him more than words can say—and softball just won't be the same without him. I know that he is setting the bases to play ball on the diamond in the sky!
Rest in peace Mike until we play again!
Your friend and pitcher,
Rob
