“ My sincere condolence to my cousin Gregory and his children upon the death of his Mother, their grandmother, and my beloved Aunt Monica. Words are inadequate to express the loss suffered by all of us. The lady with the laugh in her voice, and a the smile always on her face have left in indelible print on those who had the privilege of knowing Miss Mullings. Her dedication to education and her love for children will live on in those whose lives she has touched and made better. Always optimistic and positive, Aunt Monica believed in family unity and if this trait is passed to all of us left behind, we have gained a most precious gift. Aunt Monica fully expected to come out of the hospital, but God said "well done my good and faithful servant" you are now mine. God rest her soul in peace. Sincerely, Pom Pom

“ To my sister Regina and my father Gregory from Reanna. We all share the same pain and I want us to stick together through it all Grandma is now watching over us and it was God's plan to take her back. Rather than suffering she's living eternal life and she will always continue to be with us spiritually. Grandma was loved & will always be ?? rest in peace to our angel ????

“ I come in " Good Faith" I recall speaking with Aunt Monica shortly after my husbands passing where she told me my baby and her shared the same birth day ..a few years later Aunt Monica shared with me her life's journey I was so grateful to hear her story...for some time now the spirits guided me to learn Aunt Monica was one of my Spiritual God mothers and just a few days before she passed I shared with her the research I discovered Gong Gong my grandmother her mother Isolyn Louise Mullings was married on September 27 1930 to her dad Joseph Nathaniel Mulligs her grandfathers names are Alfred Mullings and Thomas Crooks who were from Ghana and Scotland her dad was a labourer No.337 on The Church of Jesus Christ of Latter Day Saints Archives All of whom I am is a direct result of the people that went before me the day Aunt Monica passed was the same day I received news that Fed Ex had the most important delivery of my entire life prepared to deliver to my home it was bitter sweet. If felt like somehow Aunt Monica was sending me yet another confirmation in my long journey searching for the truth of our family heritage our birth right and why we are here now. To Gregory my first little brother cousin and friend my heart is with you now as it was when you and me an Tito were playing over by Miss Inez and Tito fell in quick sand and one of our older relatives had to pull him out we were 3 to 4 years old then in Savanna La Mar Jamaica. If you need me ...you know where to reach me... my thoughts and prayers are with at this time from Aunt Daphne and my sister Pat and my brother Steve they send their love their prayers and their care for you at this time. Very Truly yours love your cousins and Aunt by: Angelina Dalphette of the Mullings Tribe Aunt Daphne, Marcia Russell (Pat) and my brother Steve. themullings@gmail.com I will look for pictures now and send to you once I find them.
