“ Morning Dad. It's October the month last year when you left me, each day I am reflecting on the days leading up to Friday the 18th. I have not removed one item from your bedroom , I just cannot find myself erasing treasured memories. I know you are in heaven but at times my selfish heart just wish you were still around with us. The family misses you so much. Love you Dad , until I write again. ❤️

“ Hey Dad , I was having a boil egg and I remembered our times in the kitchen for breakfast, you would say to me , “Don’t eat the yolk ,” and being that I am stubborn , you would shell the egg and remove the yolk for me. I really miss you, a lot happened since you have been gone ,only if I could have told you face to face.

“ Dad. Happy heavenly Father's Day 🌹 .
It was a day , I was so saddened by the thought just last year we celebrated together . ☐Dad you are still the best Dad to me . So much has been happening and I miss sitting in the park whereby we usually sit and dissect things together , truly you are the only one that listens and understands my concerns apart from God. Uncle Leslie and Mommy say hello.Ok Dad thats it for now, I will talk to you soon. Love you ❤️ .

“ Today would have marked your 81st birthday. Though you are no longer physically with us, your spirit lingers in every cherished memory, every profound lesson you imparted, and every beautiful moment we shared. We deeply miss your infectious laughter, comforting embrace, and the unwavering love you generously bestowed upon us.

Not a single day passes without thoughts of you. Your wisdom radiates through our lives, your kindness inspires us, and your strength continues to guide our paths. We find solace in knowing that your spirit lives on in the hearts of those you touched with your warmth and grace.

How we wish we could celebrate this special day with you, hear the sound of your voice, and see the twinkle in your eyes. Yet, we take comfort in knowing you are at peace, watching over us with love. Happy Birthday, Dad! You are profoundly loved, endlessly missed and forever held in our hearts. ❤️

Today, we would have been making a fuss!

A good type of fuss that is - to see how we would celebrate you- celebrate another birthday! Your 81st! But, with tears in my eyes and my heart in millions of pieces, you're not here. Not here to answer my call, not here to react to my singing you happy birthday, and if I had planned it right, you're not here to open the door and hear me say surprise, happy birthday daddy and to receive my hugs!

Oh we were planning to make your 81st a BIG ONE, but God had other plans. Plans He chose not to share with us until it was His right time!

So all that I hear now is silence and experience physical emptiness... I have no words...just memorable thoughts...

#foreverinmyheart DAD!!!
