“My heart goes out to the Robinson family. Learning of the loss had me in shock! I had to reach out to Mrs. Robinson (wife) in order to personally speak of my condolences. Mr. Robinson was a man but a WONDERFUL father first and I deeply wish his children cherished memories to keep them from being sad. Mrs. Robinson, you will always have the support of I.S. 59 to assist Mikayla with her studies to ensure she stays focused on what he always instilled in her. Mikayla is a "Daddy's Girl" and I am sure she is suffering but together you, Mikayla and rest of your family will make it through. Remember all the "GOOD TIMES" and watch how much more you will smile instead of cry. This is a tough time now, keep the "FUN" pictures around, tell stories of things that will produce happy memories and continue to do the things that he enjoyed and each day will grow easier while you grow stronger. Mrs. Robinson whenever you need a helping hand with Mikayla please let us know, she will make it as long as we work together.”
