“ *Pat, you were loved by your family dearly. We shared a lot of memories growing up and as adults. You will be missed by me and all your Georgia cousins. Our hearts are sadden but we know you are in a better place. God is still good. Love you, Cousin Regina*

“ Ms. Pat- this still seem so unreal. I've spoken to you every day since Harp was born- we would probably miss a day or two but never more than that. I am so broken by your departure. You've always spoken love and life into me. You and Mr. James are constant figures in Harp's and Jaden's life. You guys are just ALWAYS there for us. To say you will be missed is a sore understatement. I will accept you are with God now, we all know how much you love and lived for Him. I am truly blessed to have had you a part of my life- even if for a short time. You've instilled so much love into me and I will forever be grateful for you. - Leah, Jaden, Harp.

“ Dearest Pat,

I'm so thankful to the Most High God that he allowed our paths to cross on this Journey! You have always been so sweet, kind, very loving and you had a heart of Gold!!!! I met you when I was 8 years old, so we have known each other for 56 yrs. You became my sister-n-law when you and my brother Joe got married. Then our family was blessed even more when your first born daughter Anita (LeChelle) Murray, Chelle as we call her was born. You loved Chelle and Kevin so much and you were so proud of their accomplishments!

But you were so happy when James came into your life and the two of you were united into Holy Matrimony, and you were overjoyed about your grandchildren! You loved your brothers and your family and you loved your Pastor and church family!

I've always known how much you loved the Lord. And you and I have always referred to him as, "The Most High God"

You always told me how Faithful God has been to all of us and when you visited our Church in Atlanta, Times of Refreshing Christian Church, you were introduced to our CD, Praise From The Heart, you heard the song that you loved so much, "Faithful".

You even walked down the Isle at your wedding to James on the song "Faithful".

That's because you knew of the Faithfulness of God. Although some of us wondered how you were going to march in on the song because of the Beat. LOL

"But you had it down to the TEE", I am going to miss you soooooo much and miss our talks, and you showing me pictures of the kids! I'll have to get Kevin to send them to me now. And yes we all will stay in touch with James and Kevin.

I loved you so much Pat and I am so broken hearted, but I know that you are now with the Most High God and our loved ones!

"Rest In Peace My Dear Sister, I'll See you Again In Heaven."

*Love you always,
Phyllis (Phyl)*
