SIP my Big God Brother/1st cousin. The summer of 74 was one of the best times in my life. We hung out, you introduced me to all of your friends. Took me to the park. Took me to stops on Merrick Boulevard. I got on your nerves because I wanted to follow you everywhere 😞. But you always say "Go with Star"! When you didn't want me to tag along. I understood. But just wanted to get on your nerves, as little sisters supposed to. You showed me the basics of the game of chess. I couldn't get the strategy of the game. But after all these years I still remember everything that you ever taught me. My only regret is that we lost touch as we grew older. You will forever be in my heart. Until we meet again. "Love you Fox"!!!!
