“ My Condolences and Prayers to the Coley, Cole and Wiggins families to be comforted with love and strength during this difficult time. I’m so heartbroken by this because Rita always show her caring heart and endless love for others. Rita, you made a great footprint in my life when I first met you. The warmth of your soul appeared in my heart as a blessing, my friend and most of all as my Sister forever. Rest in Power and Peace; and you will always be with me in my heart forever.

“ Our heart felt sympathy to the Coley family. Rita was my water aerobics partner who encouraged me and kept me going. She showed me how to celebrate life. She showed me how to get closer to God. We introduced our husbands to each other and formed a couples relationship. I’m so glad that God put Rita in my life, even for the short time. She will be sorely missed and remembered forever💔
