“ *Rhodia, we met almost 30 years ago when you welcomed me to the Fed and into your life. It seems like yesterday I was putting my ice cold hands on your neck and you were yelling at me to stop because I was giving you a headache. I'm so glad that we stayed friends and kept in touch all these years. I will miss your laugh and beautiful smile. I'm so grateful we ended each conversation by saying 'I love you' to each other. Rest In Peace my dear sister and my deepest condolences to your family. Mary*
