“ When I was younger, I use to think Uncle Rod was so cool. He would take me roller skating from time to time. I remember one time, I went roller skating with him and Tee, I fell, and cracked my tooth. Do you know we went around the rink to look for my tooth LOOLOLO? What a great guy, knowing good, and well my tooth was not going to be found. I really have some great childhood memories because of him and my aunt. I pray and hope that he is resting well, relieved of any pain, and suffering that he may have experienced in the last few years. Older people say, to be absent from the body is to be present with the Lord. My prayers are to all those that are left behind and hope that they have great memories of him that will last a lifetime. Peace and Blessings to everyone.
