“ *What a presence Ron had! When he performed on stage, it was like he was at home. I had the honor of performing on his Village Underground stage on two occasions and was blessed to have received vocal production from him. He even took it upon himself to take me to the studio where he recorded and introduced me to producer he worked with. The advice he gave me was priceless. May God bless his spirit.*

“ Ron set the bar really high for singers. I had the honor and pleasure to sing with him on many occasions, and I knew every run and note had to be not good but great

*I would go out tour, with my band over the years, but when you came back to NYC and you had friends visiting from the West Coast or overseas, you told them to go see*

*Ron Grant, because you always knew he was going to be great and have great talent around him.*

*I was back home in NYC after being on the road and stopped by to say hello to Ron at the Village Underground, I actually spilled water all on him and we laugh and hugged and that's the last I saw him.*

*We lost a great singer and the backbone of a man who promoted singers and gave talent a chance to shine.*

*He did everything from sound the quality of musicians and singers to the 9's*

*New York City lost a bona fide legend. who showcased New York talent like no one other.*

*Outside of The Apollo Theater there is no one who created more talent than he did.*

*I will miss this great artist and talented man*

*RIP*

“ My husband Ed and I spent many a Sunday night at the Village Underground feeling honored to be in the presence of such a wonderful man ... his voice touched our hearts and although we did not know him all that long he made us feel like family ...He sang a tribute to Ed and I for our Anniversary one Feb evening a few years ago that I hold dear to my heart and still listen to as my husbands has passed away as well. ...RIP my dear friend ... love Diane Cobb

“ TRIBUTE FROM A FRIEND

*Ron Grant was a gentle giant. Tall, dark and handsome. He had a way of touching your life through the blessing of a song. His gifted ability was recognizable and undeniably granted to him by The Creator of All Life. Anyone in hearing range of the sound of Ron's gifted voice was stopped in their tracks. The Anointing compelled you to listen, wondering how and what messages were being spoken in that moment. Provoking emotions that somehow moved your internal man to laugh, to cry, to stretch, to reflect and then grow. He inspired us all to embrace the things that ignite our individual and unique dance in life, never making anyone feel small and insignificant. He was like a protective big brother, encouraging us to love and accept who we really are. Motivating your spirit to change in major and/or the slightest ways. You could not experience hearing this man and his precious gift and walk away unchanged or unaffected. What a gift he was and is! There are those of us who recognize the extraordinary and mutually agreed with a smile, a head nod, or a joyous verbal expression that would sometimes happen beyond your control as this Vocal Master took us on a journey to excellence.*

**RON'S LOVE FOR GOD AND FAMILY FIRST, THEN HIS PEOPLE, WILL FOREVER BE REMEMBERED.**

**RONALD GRANT THE ARTIST AND THE MAN IS AND WAS SIMPLY THE TRUTH!!! REST IN THE ARMS OF OUR SAVIOR RON 🙏😊❤️**

*My deepest prayers and condolences to his family and all who loved and admired him.*

*Your Friend,  
Carol Dennis*
