“ *THANK YOU ROSEY , for loving my sister . Your prayer was answered . You went home before my sister . I just don't know how she will go on without . I didn't know you well and that is my regret. One thing I know , each time I was in your presence I felt your positive vibe . until we hustle again ! Sleep in Peace . Love your sis n -love*

*Yo my friend we go back like car seats. We never had a bad day. You always had my back and shared your family with me freely when I needed you most. May God be pleased with your earthly works. Love and Respect, Grace and Light upon your final journey home. Edna (From the Ville, yo!)*
