“ *Dear family and friends of Sati, My name is Nicole. I am so sorry for your loss. It is hard to lose a love one. But did you know the bible give us positive hope for the future. The bible shows that God has both the ability and desire to bring back the dead. He keeps in his limitless memory a detailed record of each person he will resurrect by mean of his power. (Act 24:15) Soon we will see our love one again.*
