“ *Sandra will surely be missed. She was a very friendly and caring person. I told my granddaughter about her death and she said" oh no, no more of her coconut pineapple cake". Sandra made my daughter's wedding cake in 1988. RIP Sandra. You fought a very good fight.*

“ *It was a bunch of us that hung out together, back in the day in Red Hook. Saundra was always cooking something and it was always good. I believe she wanted to become a doctor or something along the lines of medicine. We looked at her like she was out of her mind and told her her claim to fame was to be in the industry of food. She didn't believe us but I gather she eventually went into it. Always a nice person. I know she will be missed...R.I.P. Lydia*
