“ *Though our time together was short, those three years were the best of my life. I am forever grateful for every moment we shared. Your energy, your laughter, and your incredible sense of humor made everyday brighter. You had a way of turning even the simplest moments into something unforgettable, always knowing how to make me laugh when I needed it most. Our trips to Atlantic City were special-not just for the excitement, but we chose that spot as a weekend getaway so we can enjoy each other. And our cruise Adventures? Absolutely amazing. Whether it was exploring islands, white sandy beach, you made me laugh with just your silly annoying ways, you knew how to turn everydays moments into a hilarious stories, you filled my life wit so much joy. You brought light, love, and laughter into my world, and though you may be gone, your spirit and the happiness you showed me will live on forever in my heart. I LOVE YOU SOOO MUCH PARKER!!! SIP*
