“ *My heart is heavy, my mind is cloudy and I am sad that this has happened. I have known you since I was 12 and we share a son together, you were always loved and missed now now we will hold you close in spirit. I thank you for blessing me with our son and I'm blessed to have shared the moments with you. I cry for myself, our son and your family and close friends. May your soul be at peace, all is forgiven and healing beings. Love, Tonya Hall*
