“ I absolutely loved the relationship we had Daddy. We have had so many wonderful memories. I can honestly say you were a real one and one of a kind. You never gave up hope and keep the same energy and love for all your kids and the grandkids. I will forever be your baby girl and hold it down for you and your grand babies. Rest in Paradise Daddy and save me a seat, I know you are up there watching over us all right now making everyone laugh at your corny jokes ❤️❤️❤️❤️
