“ *You will be one person I will never forget. Your laugh, your smile, you caring for people. Always keeping it real no matter what. Your warm heart. You will be missed, but my memories of you will forever live on and they will keep me happy every time even if it's sad, but at least I will know I got to spend those times with you. May you RIP. Love to her family and close friends. Thinking of you all. - Nicole Marie Stultz*
