“ God Bless this Man of God. Called, and Anointed by Jesus Christ. He was commissioned to Preach the Gospel. His job was finished. The Lord called him home. It was well with his soul. Good and Faithful Servant. You will be missed, but your life will never be forgotten. Carried in my heart forever ❤️🙏❤️🙏 Auntie Becky.

“ Rameses has been my little brother forever. Yet since he is only 2 yrs older than my first born, he could have been my son. He is that close to my family and I. Rameses, you fought a good fight. You kept the faith. And now take your rest my lil brother. Live You always.

“ My baby brother , I know you’re in a better place , but this hurts so much 💔... And I know heaven has gained another Angel and I bet your up there shouting and carry on with Mom and Jr while Daddy is fussing lol Ramses, I love you so much and never stopped , keep watching over all of us!!! I will continue to think about the good times that make me smile although my heart is broken. I’m remembering when we had church in the basement and your microphone was a lightbulb I, you had the sign , pulpit and your robe with purple that Sandra made you and look how that lead you to what you wanted to be “a preacher” Oh and how about when I could not find Reese wedding ring on the day of but although I came to the wedding looking a wreck after tearing up the hotel looking for it you better believe I found it !!!
This is just unreal that I’m writing this to you , oh baby brother I love you, rest on !!!

Cathie and I met Ramses in Memphis at the Peabody hotel many years ago where the 5 jurisdictions of Eastern NY would meet for a prayer breakfast. We sat at the table with him, his nephew Dorian and Mo. Stinson he was a kind young man it seems like he had an old soul. We would often ask about him and his family. He took great care of Bishop Lee and had a great respect for our Aunt Lady Palma Lee. We are still in shock, but God sees and knows all things. We are praying for his wife, children, siblings and Revelation COGIC. He was a good young man.
