“ Tyty, my baby, we have so many memories which are all most memorable. But I have to say, I will always remember laughing about the way Rich would tear down landmarks on Monopoly Go. Hahahahahaha, you were like, "I'm not messing with Rich's landmarks because he be like BOOM BOOM BOOM" we laughed so good about that. Also, I will always remember how happy you were to see me walk through those hospital doors. I knew you loved me, but you showed me that seeing me made your day. And I swear that truly made my day as well. Thank you for grabbing my hands and holding them so tight. Thank you for mouthing to me that you loved me and most importantly thank you for always, always being a part of anything that was important to me. It didn't matter how far I was, you always got my BM to me, and I will never ever forget you for that. I love you Tyty. I wasn't ready for this. But you already what it is, F Robbie Rob.....Lmaoooooooooo. From now until forever. I love you Tyty! I love you and I'm going to miss you something terrible

Dear Thais! I know words isn't enough. But please allow the memories that you shared with your son be your refuge as you seek peace and may God guide you in the way of healing for you and all the family. Everything will be alright ❤️🙏 Love you ❤️🥰 TyTy is free from any pain & suffering that he may have endured. So may he now RIP forever with his dad, grandma Sheila and any other loved ones 🙏❤️
