“ V=Victorious I=Intelligent O=Outstanding L=Loving A=Angel  
Hebrews 13:2 states, Do not forget to show hospitality to  
strangers, for by doing so some people have shown hospitality to  
angels without knowing it. Looking back upon meeting Viola the  
love, support and wisdom I received let me know that she was  
definitely an Angel

“ I'm saddened by the passing of my dear cousin Viola. She was a kind and gentle soul. As a young boy, I remember when she lived with us in Flushing before she moved to Brooklyn.

*She had that unique laughter that was contagious for all to hear. During my last family reunion, that I'd saw her, she was amazed that Ronald and I had both pledged into Phi Beta Sigma in college. She thought that it was cool and it demonstrated the strong mental bonds between twins.*

*However, the last time she and I spoke, it was indeed lengthy. Just like we hadn't missed a beat, although she was living in New York City and I down in Austin, Texas. I fondly remember how we joked about Aaron calling her grandma and me telling her that he was so blessed.*

*I will miss her. I don't believe in saying goodbyes, but I will say "see you later " When we meet again upon the beautiful landscapes in God's Heavenly kingdom. To my family, I share in your grief and pray for the Lord to embrace and hold all of you in his loving arms.*

*I send my heartfelt deepest condolences to my cousins during this period of grief. May Yeshua's love comfort and guide everyone. Remember that all of you aren't alone. Look to the Lord for solace.*

“ My dearest Aunt Vee, this hurt more then I ever thought it would, Im gonna miss seeing you. I remembered how we would call each other on our birthdays to not say but acknowledge our special day. I can remember when you taught me how to cut my sons hair. I have so many great memories of you and will never forget it.
