“ *Dear Judy,
You had a son who was talented and loving. You gave him all his basic teachings. He in turn used them in his special way.... He was blessed to have you as his mother and our world was blessed to have him with us. He is loved, you are loved and the love continues.
God Bless.*

“ *Warren was a beautiful baby when I first met him & a beautiful nephew. My family loved him when he was growing up. He was always pleasant & cheerful. As a grown man, he had a big heart & always gave of himself. Nothing was ever impossible for him to do for you once he liked you. He had a great sense of humor & loyalty. Warren will be missed . “ *Judy, My heart is broken. I grieve with you as a mother. Remembering the sweet little boy that I knew many years ago who grew into an amazing young man. Know that he'll never leave you and you'll never leave him. "Love is Love!" Warren has done what we have yet to do. Believe that God's got 'em and you will see your baby again.*

“ It’s still not real to me that I am here writing this post . Cam was everything to not just myself but my daughter . He took his role as dad very serious and for that I admire him. I knew he did not only love me but loved her just as much , to where he would walk in the house and look for her before me 💙 and that’s what I loved about him. So when he asked me to marry him that took no thought at all. Saying yes was easy because this man from the very first day we met years ago I always said to myself “ he would make a great dad and husband “ . Cameron was not just my soulmate but my very best friend I could tell him anything and he would not judge me . Even in the days I wasn’t dolled up he would let me know how beautiful I was. He was the only person who would keep me blushing literally all day 💙 . We both were looking forward to starting our life together and shared so many dreams and plans . Cam was the type of man that would do anything for you if he knew you (another reason I loved him he had a huge heart) I’ve witnessed his personal growth and admired his efforts to make changes in his life that he left were needed. His honesty and the ability to always make me feel secure in who I am and who I was to him . I never questioned how much he loved me , with him it was never a reason to. I know that this time in all of our lives will not be easy but he would want us to move on and be happy 😊 there will never be anyone who could compare to who he was for me. He set the standards very high to compete with. I can only pray that wherever he is at this very moment he is at peace and happy . At this point I can only await the day I can see him again and crack jokes , laugh, hug, kiss, and I get another chance to just watch him sleep so peacefully (as he takes up the entire bed than tell me it was me not him 😞) I love you today , tomorrow, yesterday and always . It was my honor to have the pleasure to have you in my life . I was honored to carry your last name one day !!! Nothing will ever change that for me . The good always die young and you my friend were everything in my book . Your flaws made you who you are but it’s what gave you substance and your morals and kind spirit is what gave you heart . Your smile and voice and all

*that sarcasm just every detail of you I loved . Despite we never made it down the isle just know that you took my breath away and each moment gave me butterflies as if it was the very first time . Our car trips were epic lol our adventures were classic . I'm not sure what life will be for me now but I know your watching over me every step of the way . I thank you I am thankful and this pain might never go away but just know as much as I cry I always smile . Sleep in peace my king 👑
Until we meet again
Love 💙 Kat*
