“ My deepest condolences to the Locus family. DEAR WAYNE, for the little time you've entered my life I realized how a woman should be treated. You've showed me so much love within the months I've known you. You've been there for me through my toughest times & hardships & I thank you for being there for me & my family. I truly feel like god put you in my life for a reason. Before I met you I went to church for Easter & I asked the pastor to send me a good man , a few months later you entered my life . GOD works in mysterious ways cause he blessed me with you & im going to miss your calls , your visits for dinner , the trips we took & the amazing time we spent together . I will always remember your sweet memories & I will always love you

“ We know death is very much a part of life, however, when we lose loved ones so soon one can not find enough words to express comfort or relief. Wayne was very special to us, he will be missed greatly. Wayne's love for his family, friends, movies and eating good food will be a memory we will cherish always. We are praying God's comfort to you all. Cherish his memory. Wayne, rest in peace. Gone too soon.
with sympathy,
Courtney and Yvonne Callender

“ We know death is very much a part of life, however, when death comes too soon and so fast to one we love words some times don't do the part of expressing our condolences. Wayne was a very close friend whom we will miss tremendously. His love of family, friends, movies and eating good food will always be a memory we all will cherish. We still can't believe he's gone. To the family, He will truly be missed. Rest in Peace our dear friend.

“ *Until We Meet again*

*Those special memories of you
Will always bring a smile,
If only I could have you back
For just a little while,
Then we can sit and talk again
Just like we used to do,
You always meant so very much
And always will, Do to
The fact that you're no longer here
Will always cause me pain
But you are forever in my heart
Until we meet again*

*Love Always
