“ I am so saddened to hear of Wendell's passing.

He was one of the most gentle souls I have ever had the pleasure to know.

I cherish the conversations we had at Chabot College, especially in the offices of the student newspaper, The Chabot Spectator.

I regret that I lost touch with him over the years, but I was hopeful that when I did connect with him in 2010 through LinkedIn that his life was turning around for the better.

May the Good Lord grant him Eternal Rest.

“ Me and Wendell Sweet had a meeting with the dialysis unit. Headed by Jamie Bolster. We discussed how we were concerned about so many people dying at the unit, and all the lack of support and the change of comfortability at the unit. Due to the company being bought out. From American Renal Association. To Inovative Renal care who still have the same 15 people who create policy. We were brushed off at the meeting.. and Wendell died on the machine the next treatment.

“ To Mary and the Sweet Family you have my sincere and heart felt condolences on our loss of Wendell. I loved Wendell and Judi and I were so pleased when he decided to come and stay with us in Oakland CA. We enjoyed him and he was kind of like a son to us. I miss him and wish the best for him in his life after his shortened stay here on earth. May God Bless and keep him safe in the after life. Vios Con Dias cousin. 🙏 Sela Austin Ming
